

**Vision:** "Design must bring meaningful solutions and have an environmental and/or a social positive impact."

## Experience

### Community Outreach Coordinator in Lesvos

Campfire Innovation • Feb 2018 - Present • Lesvos, Greece

Map, visit and learn from grassroots NGOs; create a community of innovative NGOs; provide resources, facilitate community building and "match & connect" the NGOs to each others to bring quick, efficient and tested solutions on a local level.

### Global designer

Freelance • Jul 2015 - Present • France

Working on several short-term projects: space, product and graphic design.

### Longterm volunteer

LHR/OHF/ODD • Aug 2017 - Feb 2018 • Lesvos, Greece

Worked with Lighthouse Relief (emergency response), One Happy Family (community center) and Office of Displaced Designers (education) to get experience on resolving social and environmental issues. I used my professional skills to solve problems that NGOs were facing: strategy, internal and external communication, fundraising, mentoring, team leading.

### Global designer

Thales Systèmes Aéroportés • Jan 2015 - Jun 2015 • Bordeaux, France

Internship as a global designer on the Innovation Lab of Thales.  
Also worked on improving design thinking's methods.

### Founder

Event Eyes • 2012 - 2014 • Toulon, France

Professional project called "proact" created at Kedge DS. The goal was to learn how a business works: finance, management, strategy, communication, ...  
Photo shoot and coverage of cultural events in the South of France.

## Education

### IED Madrid

Master • Strategic design • Jan 2016 - Dec 2016 • Madrid, Spain

Transform ideas into business opportunities, build a stronger vision of design.

Learn from a diversified master both cultural and professional.

Strategic design courses: lean startup, biomimicry, behavior design, persuasive design, business plan, social entrepreneurship, sales planning, finance, marketing, pitch deck, ...

### Kedge Design School (formerly Euomed Design)

Master • Global design • 2011 - 2015 • Toulon, France

Studied the fundamentals of design (product, space and graphic design), with a focus on environmental and social innovation.

Global design courses: softwares, drawing, modeling, ergonomics, UI/UX design, eco-design, design for all, marketing, project management, ...

Won two calls for tender: Lafarge with a product for retail and Chamber of Trades and Crafts of Var with a space design proposal.

### Srishti School of Art, Design and Technology

Exchange program • Art and design • Jul 2014 - Oct 2014 • Bangalore, India

"I thought I was a smiling and welcoming person, then I learnt from the Indians."

### Academie Beeldende Kunsten Maastricht - ZUYD University

Erasmus program • Interior architecture • Aug 2013 - Feb 2014 • Maastricht, Netherlands

"I thought I was a meticulous person, then I learnt from architects and the Dutch culture."
